Do you need power?

The short answer is no. We run all cooking equipment on gas, although if there is access to power, we will generally use it to keep the lights on and chiller going.

What other sort of events do you do?

We have been all over the country with our food truck. We go to every Black Caps and Crusaders game in Canterbury, as well as festivals such as Electric Ave and Rolling Meadows, concerts, weddings, private events and more.

Do you provide cutlery, plates, napkins?

Yes, we provide all of that. Our meals are served in a biodegradable tray with a cool piece of branded greaseproof paper, biodegradable fork and napkin.

Do you do vegetarian/gluten free meals?

Our popcorn cauliflower meal is gluten free, dairy free and vegan as well our as chips. If you have serious allergies and you want to make us aware of them, just let us know when you book in and we will let you know what we can do to accomodate.

Is there a booking fee?

We have a minimum spend of \$1200 for all events in 2025 and \$1500 for events in 2026. This gives you a window of 3 hours serving time (excluding pack in and out times). For every additional hour, the minimum spend increases by \$250.

Do you require a deposit?

We require a \$1000 deposit to secure your booking.

Would you travel out of Christchurch for an event?

Absolutely. This will incur a travel cost but if you have an event elsewhere, let us know and we can try to work with you.

Operational Hours

The Fush waka is available for hire Monday to Sunday, excluding Christmas Day. We normally require between 45 minutes to 1 hour to arrive, park and get everything turned on. If you require earlier or later pack in and out times this will need to be arranged with us.

Pack in / Set up

We kindly ask that you arrange a spot for us to park up the vehicle when we arrive. Our truck is 7m long, 3.5m high and 3 metres wide. Please take these measurements into account when finding a suitable place for us to park.
